Supplemental Preliminary Amendment

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Please amend the present application as follows.

RECEIVED
MAR 26 2002
Technology Center 2000

IN THE SPECIFICATION

Marked up version of the revised paragraph, showing insertions and deletions, is included in Appendix A.

Replace the paragraph at page 11 lines 9-13 with the following text:

Figure 2 and Figure 3 are non-cyclic auto-correlation curves for code 1 and code 2 in Figure 1 respectively. Figure 4 illustrates a non-periodic cross-correlation function for code 1 and code 2 of Figure 1. Figure 5 illustrates a non-periodic cross-correlation function for code 3 and code 4 of Figure 1. Cross-correlation functions between other pairs of codes have quite similar shapes so that side lobes may equal a value chosen from +1, -1 or 0.

IN THE CLAIMS

Please cancel claim 1. Claims 2-9 were canceled in the preliminary amendment.
